

# LIFE SAVING CHAPLAINCY AUSTRALIA

The Australian Life Saving movement is one of the world's greatest families. It boasts generations of voluntary service, fosters lasting friendships, displays personal and professional integrity, and is totally committed to embrace the highest of human values: it saves lives.

A proud and loyal part of this family, Life Saving Chaplaincy Australia serves through pastoral care and social and emotional comfort for all Life Savers. We endeavour to respond to each individual's needs, fostering sustained emotional and spiritual wellbeing for all members regardless of age, background or nationality.

## OUR CHAPLAINS

Our Chaplains aim to enrich the lives of Life Savers by demonstrating God's mercy and grace to them. We achieve this by training dedicated men and women to provide pastoral care. Chaplains, like Life Savers, are volunteers and are required to be club members and complete a Certificate II in Sports Chaplaincy.

### OUR SERVICES

Support through:

- Rescue and patrol activities
- Grief and loss
- Trauma
- Sickness
- Ethical questions
- Club issues
- Home and personal issues

### CEREMONIES

Being a non-denominational Christian service, the chaplains can facilitate and organize ceremonies to help members mark milestones in their lives. These may include:

- Memorial services
- Club dedications
- Funerals
- Child dedications
- Marriage ceremonies (where qualified)
- Ecumenical services

Contact us today to access our service or for more information about how we can serve your club.
